Privacy Notice (Employee-Facing)

1. Who We Are

This notice explains how the Autonomous HRO Agentic Platform, operated by [PROVIDER LEGAL NAME] on behalf of your employer [CLIENT NAME], processes your personal data. Your employer is the data controller; contact: [CLIENT DPO / HR CONTACT].

2. What We Process

Identification and contact details; employment and organisational data; payroll and compensation data needed to answer your requests; documents you upload; your conversation history with the assistant; service telemetry. [LIST SPECIAL CATEGORIES IF APPLICABLE].

3. Why & Legal Basis

To answer your HR questions and execute HR processes (performance of employment contract); service improvement and safety monitoring (legitimate interest); compliance with legal obligations. [ADD CONSENT-BASED ITEMS IF ANY].

4. AI Processing

Your questions are processed by AI systems, with human review for sensitive or consequential cases. Your data is not used to train AI foundation models. Conversations are retained for [PERIOD] and are visible to [WHO — e.g. HR case workers when escalated].

5. Retention & Your Rights

Data is retained per your employer's retention schedule: [SCHEDULE / LINK]. You may request access, correction, deletion, or restriction, and object to processing, via [CHANNEL]. You may escalate to [SUPERVISORY AUTHORITY].

6. Transfers & Security

Data is processed in [REGION(S)] with safeguards described in the DPA between your employer and the Provider. Version [X.Y] — Last updated [DATE].

This template is provided for drafting convenience only and does not constitute legal advice. Obtain review from qualified counsel in each applicable jurisdiction before use.
